

# Family Day Long Weekend **Fun!**

## **Croatian, 19th century**

This pair of Croatian men's socks from Grlici is a perfect example of just how splendid socks could be. The part of the sock that covers the foot is hand-knit, and the "leg part", called the shaft, is made of heavy wool fabric that has been covered with intricate embroidery as well as metal and fabric sequins. # Family Day Long Weekend **Fun!**

## **Nanai, 1994**

The Nanai from the Amur region in the Far East traditionally wore waterproof fish skin boots with decorative sock inserts in the winter.
